Town centre traders to meet

Stourbridge traders are set to attend a meeting to discuss business opportunities in the area.

The meeting, which is organised by Dudley Council, will take place on Thursday 2 April from 6.15pm at the town hall. It will give traders the chance to share stories of success and talk about opportunities to develop businesses in the area.

Representatives from the West Midlands Business Link will also outline what support they can offer traders who may need help during the economic downturn.

Councillor Malcolm Knowles, cabinet member for regeneration, said:

"Dudley Council holds regular trade meetings to give Stourbridge traders the opportunity to share their success stories and discuss future opportunities.

"I'm sure the West Midlands Business Link will also offer valued advice to any traders who feel they need help and support in the current economical climate."
